Message from the School Principal!

DEAR SIR/ MA'AM

GREETINGS OF THE DAY!

It is our privilege to invite you all for an Inter School Online Competition that is to be held on 25.10.2024.

The theme of competition: is-IGNITE: "Igniting Sparks: A Journey of Innovation"

Every great journey begins with a single spark—a moment of inspiration that lights the way forward. Whether it's a new idea, a creative project, or a personal goal, it's those tiny sparks that have the power to ignite our passions and transform our lives.

Let's celebrate the sparks within us! Embrace curiosity, take risks, and allow your imagination to run wild. Remember, it's in those small, ignited moments that we find our true potential.

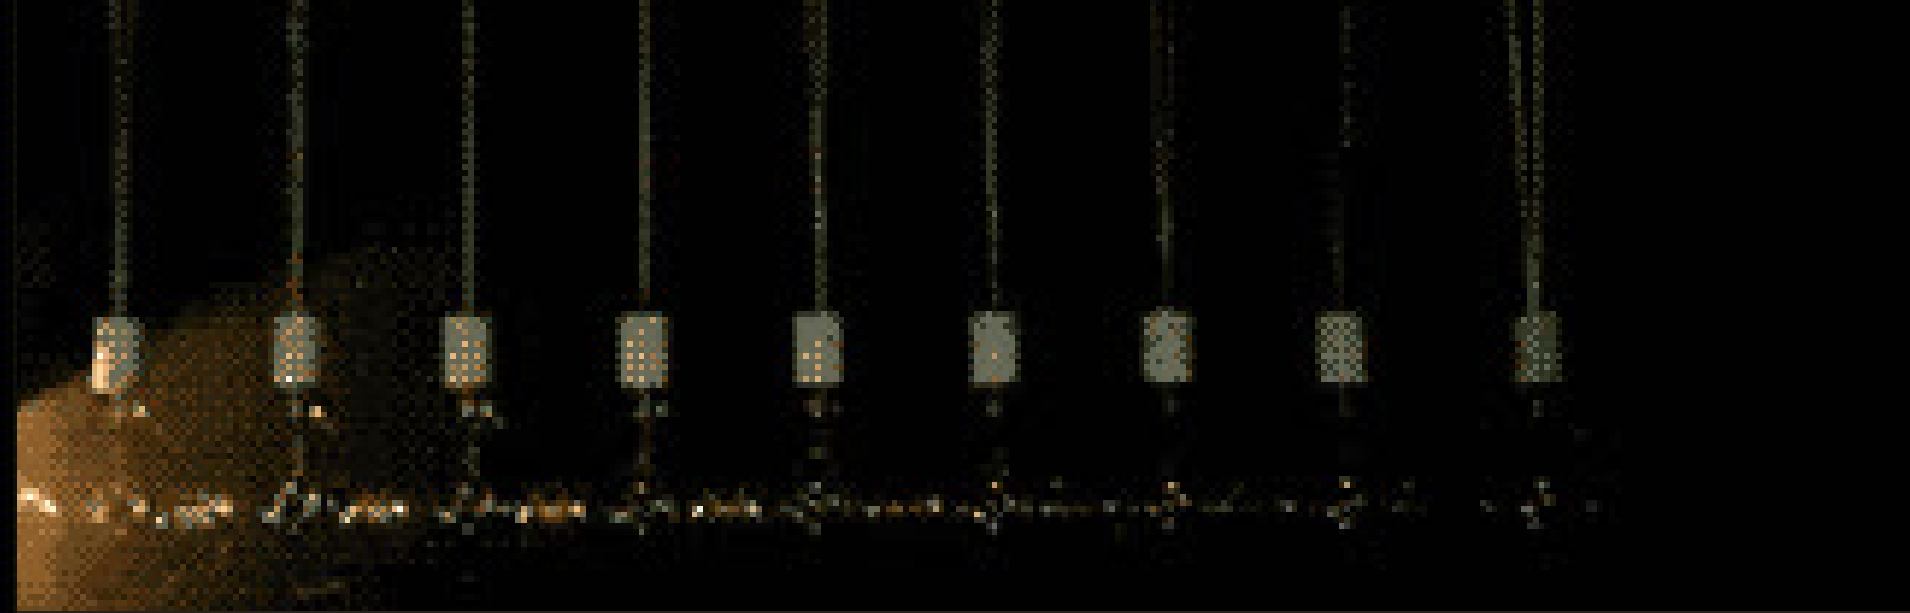

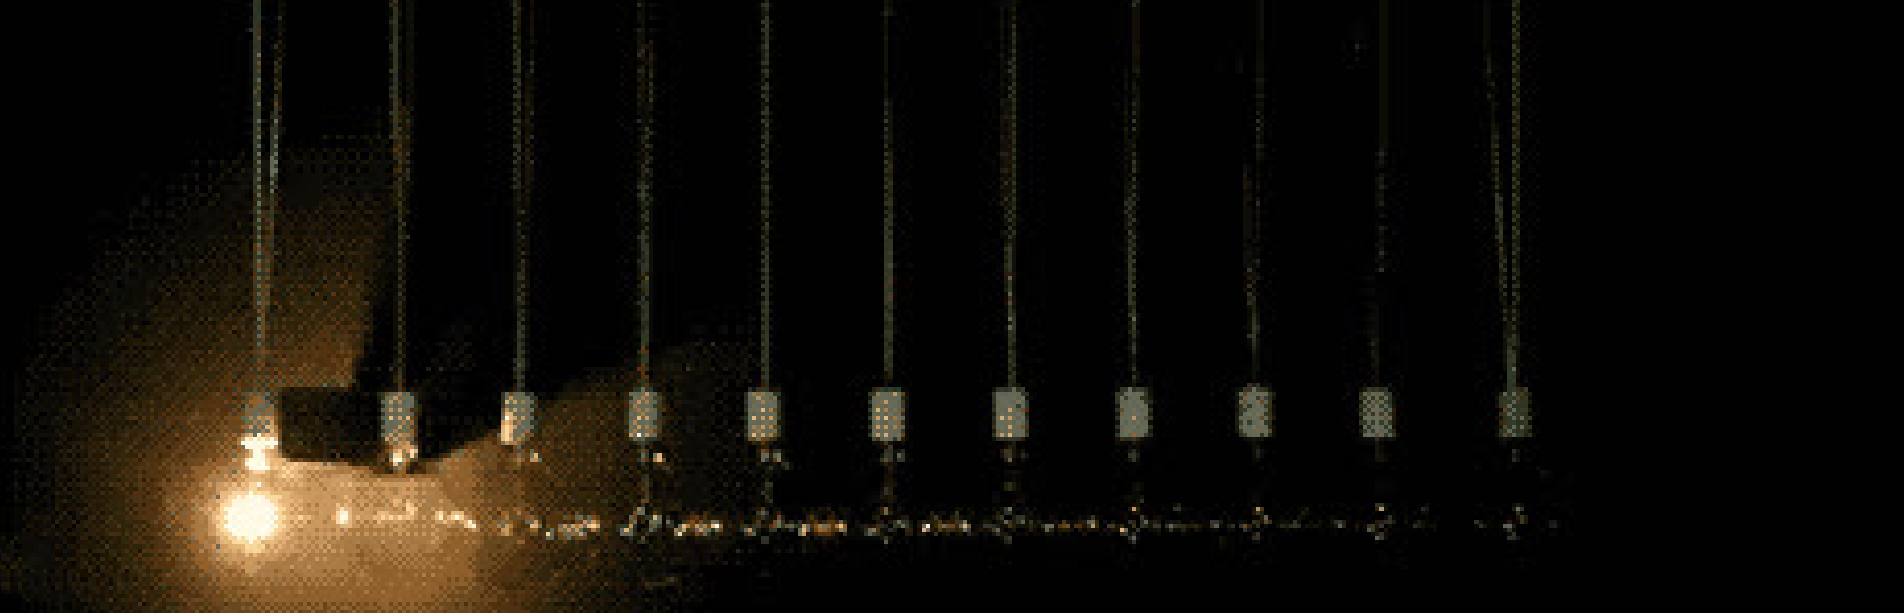

Such competitions are held to bring out the hidden talents of the students and give them exposure to boost their confidence. It is all about underlying interest and passion.

The enrolment form along with rules and regulations pertaining to the competitions is being shared along with this invite. We request you kindly make arrangements in your academic calendar to make it feasible for all students to be a part of this. We hope this opportunity will be utilized by all the students.

Please send your confirmation with the name of the school and participants by 15.10.2024. The entries sent after 15.10.2024 will not be accepted. We are eagerly looking forward to your wholehearted participation.

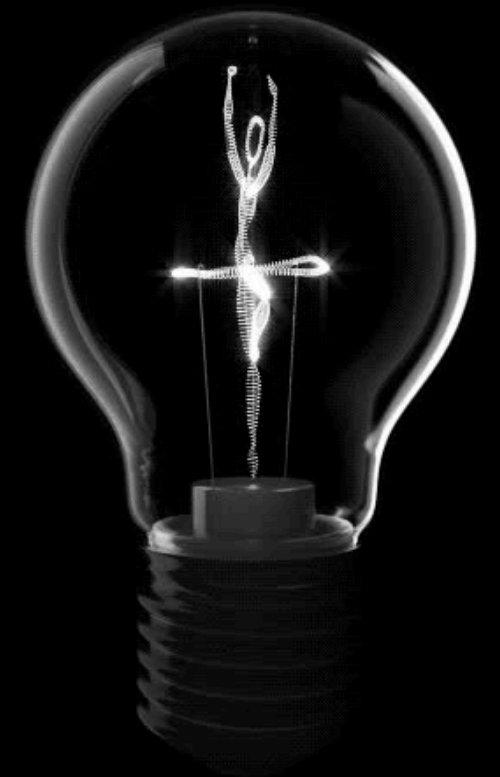

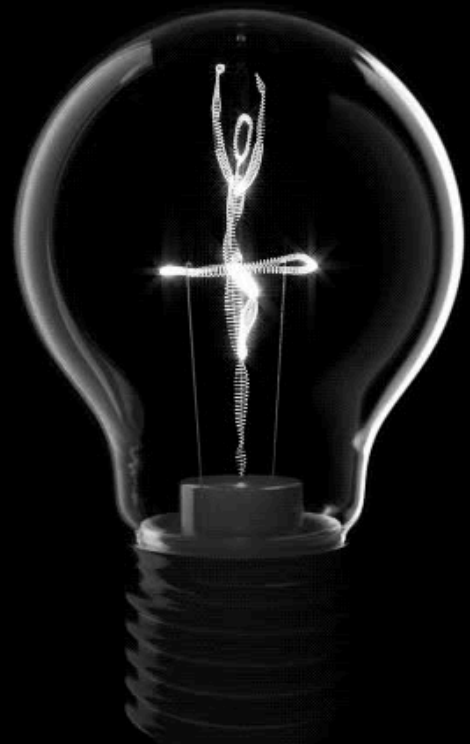

Best Regards,
Ms. Rashmi Gupta
